

Dear Kappa Epsilon Life Member,

We hope this letter finds you well this holiday season. As you can imagine, this past year has been especially challenging for many of our collegiates and alumni. With this, the Kappa Epsilon Foundation would like to be in the position to provide more assistance to our members, especially those in need. With that, I am writing you today to kindly ask for your help to ensure our future of pharmacy continues to shine brightly.

The Kappa Epsilon Foundation was established in 1992 to assist our members by sponsoring and promoting educational programs and research projects in the field of pharmacy; promoting and supporting continuing education programs for alumni; and promoting the scholarship, character, and morality of collegiates by providing educational advantages and fostering intellectual excellence through grants, fellowships, scholarship incentives and awards.

The KE Foundation has awarded more than 375 Zada M. Cooper Scholarships to aspiring collegiates; recognized many exemplary collegiates and alumni through the Linda T. Rodgers Memorial Award; bestowed grants to collegiate and alumni chapters; underwritten educational programming for biennial conventions and the Fraternity's website; awarded book scholarships; and, enhanced mentoring roles.

We are suggesting a contribution of **\$250** from our life members to continue providing funds for these worthwhile programs, as well as allow for new programming. Additional ways to tailor your giving are at <https://www.kappaepsilon.org/foundation/foundation-giving-information/>. Your inspired giving is the key to sustaining and furthering the work supported by the KE Foundation.

Two easy ways to give back while you shop are:

RaiseRight app (byShopWithScrip) – Download the app to buy gift cards for 250+ retailers. KE Foundation will receive up to 20% on your purchase. **You will need to enter Enrollment Code: LC9582137522L**

AmazonSmile – Go to AmazonSmile (<https://smile.amazon.com>) and select Kappa Epsilon as your charity. The Foundation earns 0.5% on each eligible order. You can easily make a change or refresh your settings on the Amazon app to make AmazonSmile part of your default settings

On behalf of the KE Foundation, I extend our sincere appreciation for your consideration and support of our many worthwhile initiatives. Please do not hesitate to reach out with questions or contribution ideas. Thank you for your generosity!

In the Bond,

Laura Wilson, PharmD
Kappa Epsilon Foundation President
